PROFILE

I'm 24, Ecuadorian fascinated by web technologies, curious and I enjoy to learn new technologies, frameworks and libraries.

My first programming language was java, nowadays I use javascript/typescript technologies and I love it!

LANGUAGES

- Spanish
- English

EXPERIENCE

Angular Python developer (THESIS)
From June 2021 to February 2022

Python backend development to decode the p00 files of an INAMHI radar to display rainfall data through a web interface in AngularJS for the city of Quito.
